

CAPABILITY STATEMENT

Nico Projects is a Commercial Construction company with a growing reputation for providing honest, affordable and dependable construction services for our clients.

A reputable, and accredited team of local trades, our service focuses on minor works for our clients through to large scale fit out and refurbishment works.

Fit out and Refurbishment works

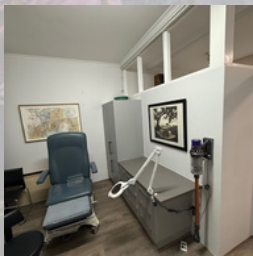

Nico Projects provide tailored commercial fit outs and refurbishment works. From Hospitality to office spaces, and base building upgrades, Nico Projects has an adaptable, highly skilled and efficient team that can complete your project on-time, with integrity, and on budget working closely with designers and architects.

Director, Craig Hammond has an extensive working history with small / or family run businesses, and with landlords, project manager's and property owners such as Dexux, CBRE, AMP Capital, Frasers Property and Knight Frank.

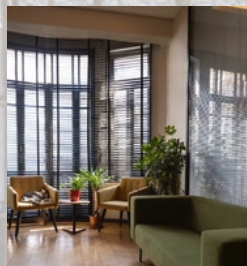

The Nico Projects team understand the commercial environment, and work towards having your spaces functional, operational, and minimising down time. We have relationships with some of the biggest furniture / joinery suppliers and prioritise orders to ensure projects run smoothly. Returning quotes quickly, always available on the phone and providing genuine, efficient solutions. We are happy to prioritise works on short notice for our clients and deliver an exceptional level of service.
