

CAPABILITY STATEMENT

Nico Projects is a Commercial Construction company with a growing reputation for providing honest, affordable and dependable construction services for our clients.

A reputable, and accredited team of local trades, our service focuses on minor works for our clients through to large scale fit out and refurbishment works.

Minor Works and Maintenance

Nico Projects complete all types of minor works contracts for its clients including but not limited to inspections, servicing and repair, structural and non-structural works including joinery and general maintenance.

Director, Craig Hammond has an extensive working history with landlords, project manager's and age-care providers such as Uniting Care, Aveo, CBRE, Knight- Frank and Royal Freemason's Benevolent Society. Working to upgrade facilities, and minimise the risk to occupants by keeping them in good condition.

The Nico Projects team understand working in delicate, and caring environments. Returning quotes quickly, always available on the phone and providing genuine, efficient solutions. We are happy to prioritise works on short notice for our clients and deliver an exceptional level of service.
